Homemade Shea Body Butter For Beginners: All-Natural Quick & Easy Recipes To Eliminate Eczema, Acne, Dry Skin, Stretch Marks, Sunburn & More

Synopsis

LEARN: Homemade Shea Body Butter for Beginners: All-Natural Quick & Easy Recipes to Eliminate Eczema, Acne, Dry Skin, Stretch Marks, Sunburn & More. This book is a comprehensive guide to discovering amazing homemade shea body butters which can be personalized to fit your skin type and personality. Countless women spend a small fortune each year on lotions, creams, ointments and chemical-laden products with preservatives and cancer-causing ingredients. What you may not realize, however, is that those products you are buying can easily be recreated at home, NATURALLY. You can truly do-it-yourself and create homemade organic shea body butters that will renew and rejuvenate your skin. Why spend a fortune when you can do it at home for a quarter of the price. Why Make Homemade Shea Butters? Here's a look at just some of the reasons why you'll find this book to be an amazing guide for you:

- You know every ingredient that's inside
- You know how the body butter has been made.
- You can create your own custom body butters tailored to your needs
- Recipes typically only take a few minutes to prepare
- You can use all natural ingredients
- Save money
- Give as gifts
- Most important, it's fun, easy, and it really doesn't require much effort at all.

Customer Reviews

This is a very well put together book which explains all about Shea Butter and where it comes from. It also has plenty of recipes to make your own Shea Butter creations for your needs. My only request would be that she explain what a few of the recipes were for. Most of them had what they were for in the name but some only had a generic name which didn't explain why she used certain essential oils or other ingredients, so I was hoping to know what they were beneficial for too. Other than that, a really good book for beginners. She also has a book called 'Body Butter Recipes For Beginners', which is also a good one to read.

This product is great for beginners like me. I would suggest this to anyone that's wanting to learn about this product.

I love how the writer words things and how this book is so easy to follow even if you're new
