## Customer Reviews

Not the best but many gave me a good laff but I have read a lot o memes so I only get the best laff at Reilly funny ones alot but I recommend thi to starters ‘ • •» ‘ • •»

Thus book is pretty funnyThe only thing i didn't like was that there were other "bonus"memes and that they apeared at 30% in the book.

unoriginal and cringy. would not reccomend for anyone. dont waste your time with this garbage. overall 1 or 2 good memes. not well meme'd at all.

it is memes enough said really good book becuse of its epic memes stop asking why just deal with it i have nothing else to say about it
