Customer Reviews

Over the years, three devon rex cats have owned me. They are friendly, talkative and active. If you want a cat that follows you like a dog and sits in your lap all day, the Devon is for you

I love this book I am thinking of getting a cat and reading books about different breeds. This book has been very good and I enjoyed it very much.

There are not a lot of publications about Devons, so it's good to have something.

Much good breed-specific info but did not have the training tips I had hoped for.
