Making your own soaps at home has never been so easy with simple Step by Step methods! Enjoy the luxury of homemade natural soaps. How many times have you brought a bar of artisan or home-crafted soap to your nose and inhaled the scent and lightly traced your finger over the texture of the bar, thinking to yourself how wonderful it would be if you were only able to make soaps like that yourself at home. If you are anything like me, that exact scenario has happened, but I always backed away from soap making thinking it was just too difficult. That was until I learned just how easy and enjoyable home soap making can be. All you need to get started is a little guidance from a trusted friend, and that is exactly what you will find in this book. Soap making is an age-old craft, one that allows you creative expression and a sense of satisfaction. Within this book, the beginning soap maker will find everything that they need to start their crafting journey. From an introduction to commonly used terms to understanding and simplifying the process of creating your very own soap recipes, this book will help you along every step of the way, with clear and simple advice that isn’t clouded with overly technical talk or chemistry lessons. You can now craft all of the beautiful, pure soaps that you have imagined with ease and pleasure. Inside find all the information to make soap making easy, affordable and contribute to your wellbeing and of your loved one. Organic homemade soap are the perfect gifts for friends and family. And who knows, maybe a new business! Here is what you’ll get from this book:• Term to know for soap making. • Explanation on each style of soap making so that you can quickly determinate which one suits you best. • A list of necessary materials you’ll need for soap making including equipment, lye, as well as oils and fats. • A list of fragrances and colorants which you can use, depending on the purpose of the soap you’re making. • Simple precautions for keeping your craft a safe and enjoyable experience. • Step by step technique to make soap using the cold processed method. • Step by step technique to make soaps using the melt and pour method. • 21 great recipes, including, to name just a few, the basic soap formula, Kitchen and Bath Hand Soap, the Sweet Honey Bar, the Invigorating Foot Soap, the Summer Lime Bar, the Winter Facial Bar and Herbal Shampoo Bar and for all kinds of needs. • Included are also some tips on making your own soap recipes. With this book, you’ll be able to master this old craft with ease thanks to the clearly explained step by step approach to soap making. It so easy and so much fun! Let’s get started! Scroll up and grab your copy today!

Book Information

File Size: 2676 KB
I have been wanting to learn how to make my own soaps. This book is a great start for anyone who is a beginner. It gives step by step instructions on how to make each soap. Gives you step by step on what you will need, and goes into detail for everything. Super easy for anyone to follow who is new to making their own soaps. I cannot wait to get some made up for some gifts. I received this at a discounted price for my honest review.

This is a nice starter book for anyone wanting to learn to make soap. It does have helpful explanations and recipes for making soap. Grammatical errors detract from reading it, but if you are just starting out, it is worth taking a look at.

Thank you Josephine Simon

It’s a good starter book.

I’ve always wanted to try soap making and this book took all the mystery and fear away. I will be
trying quite a few of these recipes!

I've not used it yet but it seems to be very easy to follow instructions. I will update after I use it to make some soap!
