I have learned so much things about this book, specially of how I can lost weight quickly in just 2 weeks. I have heard South beach diet from my friends and totally effective if you have self discipline. I am going to try this diet journey with this book. The book is well written and very comprehensible!

This kind of book is published once in a while. I was totally unaware of south beach diet until I read this book! I found this very helpful for my wife and she has already started seeing visible improvements! Must read book Cheers Prince

Nice ripoff of a trademarked diet book. You know you can't legally use "South Beach Diet" in your title since it's trademarked. Not cool and illegal. I'm surprised Dr. Arthur Agatston has not sued this "author" yet... I'm sure it's coming.
