Customer Reviews

I'm anxious to use this little book of spacecraft stencils. My grandson is making flying sounds along with vroom vroom! This group of stencils will make the drawing easy.

All of these little stencil books really are awesome. They are soooo inexpensive and my 6 year old uses them ALL the time. They are really worth it. Happy

Very easy for my four & five year old to make pictures. Gives them a boost of confidence in their art abilities. Small enough for their little hands too.

I volunteer at a children's museum. The kids absolutely LOVED them.
